Bloomsburg, August 8, 1857

Democratic Nominations. GEN. WILLIAM F. PACKER, Of Lycoming County.

POR CANAL COMMISSIONER Hon NIMROD STRICKLAND. Of Chester county. FOR JUDGES OF THE SUPREME COURT.

Hon. WILLIAM STRONG. Of Berks County. Hon. JAMES THOMPSON. Of Erie County.

#### UTAH.

In a late speech of Senator DougLAS. at Springfield, Illinois, he took the ground that if the reports from Utah should be substantiated, Congress should repeal the organie act of that Territory, and place it under the act of 1790; and especially should that be done, since, as was alleged, are not citizens of the United States, and legislate for them.

they practiced any such theory. The organic act of every Territory is a legisative act. They do hold, however, that Congress is restricted in its power by the

power is not justified by this clause of the tice. Proceedings next week. Constitution. It is moreover provided constitutional provision, and the latter according to its best discretion.

We may look in vain for an unlimited power in Congress over our Territories in the Federal Constitution; but the power to do what is necessary to carry cut express grants in that instrument, we admit .doubtful, which wise states nen will aviod. in rebellion to the authority of the United be held on Monday the 17th of August. States; if they are alien ecemies, there is in the Federal Constitution, and it ought ronized and sustained.

## Address of the State Committee.

The address of the Democratic State Committee, will be found upon our first page. It is from the pen of the Hoo. C. pointed Gen. William H. Miller, of Dau- party is yet young; but I challenge an in-R. Buckatew, the able Chairman of the Committee and is an admirable document. Such of our opponents as are willing to hear both sides of a question, are invited to peruse it, as the desues of the Compaign ment and our citizens trading at Trinidad. are set forth in a mas erly manner.

RICHARD J. HALDEMAN, the efficient and gallant Editor of the Patriot and Usion,-the best Democratic Paper ever piblished in Harrisburg-has obtained the Demogratic nomination of Dauphin for Stap Senator. We heartly approve of the receeding. Would that we could pure desperat as Mr. Holdeman.

Wilmot's Answer.

The Lock Haven American Watchman, a fast and furious abolition Wilmot organ, "Where are we drifting too?"

in a speech of Wilmot, which has for month 1857.

months been going the rounds of the press uncontradicted. It is a free and complete answer to the Watchman. "I am determined to arouse the people get up an organization through which they

can get control of the Government in '56; and if I become satisfied that these efforts join the party that I think will send the ballot and each general election district country to hell the quickest!"

the mass of the inhabitants of that Territory in their conclusion. There are plenty of refuse to take the oath of allegiance. The Black Republicans are a good deal exereised over this speech. They proclaim who really have no more brains, comparathat Sonator Pouglas has abandoned the ground that Congress cannot legislate for South would be to give these noisy, frothy, Territories, and now actually proposes to superficial spouters, an eminence to which gislate for them.

The Black Republicans don't understand sense, administrative ability, information the position of the Democratic Party on the subject of the power of Congress over Territories, and they are never likely to understand it. They show their nescience whenever they undertake to comment on the position of the party. The Democratic Party never held that Congress could not the party never held that Congress could not be position of the party. Party never held that Congress could not has gone by when a ten or fifteen minutes' legislate for Territories at all. They have speech on a political platform, at a noisy announced no such doctrine; nor have mass meeting, will be accepted as a proof that the speaker has ability, judgment and experience."

### The Editorial Convention.

This Convention met on Tuesday last in Federal Constitution. It can only exercise Danville, pursuant to arrangement, and the power granted in that instrument, and was well attended. WM. P. MINER, Esq., the power that may be necessary to carry was called to the Chair, and L. H. Davis, out some express grant of power. There Esq., appointed Secretary, for the tempois some medium between unlimited power rary organization. The Committee to tion, and no person named shall be perempand no power at all, which the faction dou't report officers for the permanent organiza- torily stricken from the list of candidates seem capaple of comprehending. They tion of the Convention, reported the name until after the sixth vote, when the lowest have been too much occupied with the of the Editor of this paper, as President; horrors of slavery to spend a thoughton the V. Beat, G. L. I. Painter, O. N. Worden, great practical question of the times, the and L. H. Davis, Vice Presidents, and government of the Territories.

J. Henry Puleston and John Youngman, or reseinded unless by a vote of two-third-star argular annual Convention. subject, Congress has power to admit new vention were characterized throughout by States; and the organization of a Territory uninterrupted harmony, courtesy and coris the first act in the admission of a State diality. Gen. V. Bast invited the Con It is not difficult to see that unlimited vention, on i's adjournment, to his mansion, power of legislation in Congress is not where they were introduced to a most necessary to enable a Territory to grow sumptuous repast, to which it were useless into a State, and therefore such unlimited to say, the Corps Editorial did ample jus-

that Congress "shall have power to dispose MRS. CUNNINGHAM. - The mystery of of and make all needful rules and regula. the Burdell murder is enveloped only in that the man with the broad brim, and the Association. Will you be kind enough to tions for the Territories, and other property legal doubts-for there is a morel certain. other with the large coller, did their daty present it in my name, and to assure the belonging to the United States." This ty as to its perpetrators or at least to its by way of introducing the wonderful certainly gives Congress the power to stimulators. Another strange phase of Magic Oil. It is believed to be a good survey the lands, to secure the titles, and the drama has been developed, and Mrs. curative, and is for sale by Dr. Hagenbuch, ardently wish them success in a cause to protect the person and property of the Cuncingham has been arrested for felony, purchaser in the purchase. Congress has on the charge of having forged to be Pocket Manuel of Practical Affairs, and control of the army and Indian affairs, and enciente by Dr. Burdell as her husband, Guide to Success in Life; embracing the can employ the former to enforce any and going through all the preparations for the fictitious birth of an heir-achild hav-
